Venue: Doddappa Appa Sabha Mantap, Kalaburagi

A GLANCE AT THE SANGHA: Sharnabasveshwar Vidya Vardhaka Sangha Kalaburgi, was founded in 1903 by the Vith Maha Dasoha Peethadhipathi when Nizam and British political clout was strong in this part of the country. The Institution was established with a noble vision of rendering service to humanity. The sangha is steered by the present President and Eighth Maha Dasoha Peethadhipati Poojya Dr. Sharnabasappa Appaji, Chancellor, Sharnabasava University, who is rightly known as 'Icon of Dasoha' he has transformed Kalaburgi into a Hub of educational activities. By the stewardship of our President, today, the management runs more than 80 institutions culminating into the establishment of Sharnabasava University.

GLIMPSES OF COMMERCE COLLEGE: Sharnabasveshwar Commerce College was started in the year 1961. This Institution is one of the earliest Commerce colleges in this part of Hyderabad Karnataka region, over the years it has become one of the prestigious institutions as there has been a consistent infrastructure development aiming at imparting quality education.

This institution is located on a hillock covering an area of about 3.5 acres. It has a picturesque landscape with bountiful greenery in its surroundings. Our institution gives importance to all-round development of the students. Personality development programs help students in developing effective communication skills, team spirit and boost confidence level and attitude of students which help them in building better career. Our college gives intensive coaching to the students so as to make them perfect and proficient in their subjects. The college provides remedial classes to the weaker sections in all the subjects. We have two hour classes wherein teaching, writing, interaction and evaluation activities take place as per our president's guidelines, which is yielding better results.

GLIMPSES OF SCIENCE COLLEGE: Sharnabasveshwar College of Science was started in 1956. This institution is one of the earliest science colleges in this Hyderabad-Karnatak region. Over the years, it has become one of the prestigious institutions. This institution is located on a hill-lock covering an area of about 4-acres. Sharnabasveshwar College of Science functions under the aegis of Sharnabasveshwar Vidya Vardhak Sangha which was founded by Late Poojya Doddappa Appa. The college provides education to students from rural and marginalized sections on Dasoha Philosophy. It provides relevant and job oriented curriculum with a motto of "Service unto others" and developing leadership and self-discipline among students. It is equipped with all infrastructure facilities with an excellent teaching and learning ambience.

KALABURGI IN WORDS: Now a days Kalaburgi is a destination of every tourist who visits Northern Karnataka, as Poojya Appaji rightly remarked, Kalaburgi has 'three eyes' in Sharnabasveshwara, Khwaja Banda Nawaz and Budha Vihar, heralding the message of amity and co-existence of people of composite culture in perfect harmony and joy. Kalaburgi is centrally located at an equal distance from both Bengaluru and Mumbai and is well connected by road and rail routes.

The city is known as a land of 'Tur-dar' and has many historical places nearby, which are worth visiting, viz. Basavakalyan, Bidar, Chanagapur, Vijayapur Sholapur and Raichur situated around 150km distance. The majestic fort of Gulab Chand located adjacent to Sharnabasveshwar shrine is a tourist alluring point.

THEME OF THE SEMINAR: Infusing quality and attaining it in higher education is not an accidental affair. It is being attained with all care, concern, concentrated efforts and meticulous planning. As we know, India has diverse education system. Of late, introduction of new policies like Privatization, widespread expansion, increased autonomy and introduction of programs in new and emerging areas in higher education have enabled improved access to higher education for majority of the students in the country. Consequently, it has also led to a widespread concern on the quality and relevance of the higher education in the country. Owing to this the National Assessment and Accreditation Council (NAAC) was established in 1994 to monitor quality culture in higher education institutions. "The mandate of NAAC as reflected in its vision statement is in making Quality Assurance (QA) an integral part of the functioning of Higher Education Institutions (HEIs)."

In such a scenario our revered President Poojya Dr. Sharnabasappa Appaji advised us to conduct a one-day seminar on the revised accreditation process, hence this seminar is being organised by the Sharnabasveshwar College of Science and Sharnabasveshwar College of Commerce, Kalaburgi jointly. We are aware of the fact that there is a revised process of Assessment and Accreditation adopted from July 2017. "The main focus of the revision process has been to enhance the redeeming features of the accreditation process and make them more robust, objective, transparent and scalable as well as make it ICT enabled. It also has reduced duration of accreditation process." Hence the key-note will be delivered foregrounding the NAAC parameters. Prof. V.R. Shirgurkar, Former Principal, Chougule College, Madgaon, Goa who is also Senior Peer Team Expert, will deliver a key note address on "Understanding the Revised Methodology of NAAC". Dr. Shrinish Chinchade, Former Principal, MU College, Pimpri, Pune and also Peer Team expert, will speak in the technical session on the topic "Preparing Quality Documentation for NAAC" and Shri Ambekar, Managing Director, Vivekanand Academy Ltd, Pune will speak on the topic "NAAC and Online Process". Hence, an appeal is made to the honourable educationists, administrators, principals and faculty to make use of this academic programme by being present and taking part in the deliberations on 20th April 2018 in Doddappa Appa Sabha Mantapa, Sharnabasveshwar College of Commerce, Kalaburgi.
