OBJECTIVES:

To secure a position as a teacher and utilize my dedication to foster quality education required for a student development. As an entry level teacher, I would like to leverage my extrovert and dynamic approach in teaching students. With my great administrative and coordination skills, I would work to perform my duties. Guiding the students to encourage them to participate in constructive programs would be my aim as teacher.

To obtain a teaching position where I can utilize my knowledge of advanced teaching methods such as team learning
