A GLANCE AT THE SANGHA: Sharnbasveshwar Vidya Vardhaka Sangha Kalaburgi, was founded in 1993 by the VII Maha Dasoha Peethadhipathi when Nizam and British political clout was strong in this part of the country. The institution was established with a noble vision of rendering service to humanity. The sangha is steered by the present President and VIII Maha Dasoha Peethadhipati Poojya Dr. Sharnbasawappa Appaji. Chancellor, Sharnbasava University, who is rightly known as 'Icon of Dasoha & Education', he has transformed Kalaburgi into a hub of educational activities. By the stewardship of our President, today, the management runs more than 80 institutions culminating into the establishment of Sharnbasava University.

GLIMPSES OF SHARNBASAVA UNIVERSITY: With the vision and foresight of our president Parama Poojya Dr. Sharnbasawappa Appa, Mahadasoha Peethadhipati, Chancellor of Sharnbasava University, Sharnbasaveshwar Samsthan, Kalaburgi, who has 40 years of experience in the field of Education is determined to serve the cause of the growing fields of education and proficient engineering graduates in this Hyderabad Karnataka Region by establishing four new engineering college namely Appa Institute of Engineering and Technology at Kalaburgi, Godutai Engineering College for Women Kalaburgi, Veerappa Nistya Engineering College, Shorapur & Lingarajappa Appa Engineering College, Bidar.

These colleges have grown in the short span of time offering Under-graduates to Post-graduates courses. The institutions are offering various BE degree courses and M. Tech courses. The institutions works on Dasoha Philosophy of education.

GLIMPSES OF SCIENCE COLLEGE: Sharnbasveshwar College of Science was started in 1956. This institution is one of the earliest science Colleges in this Hyderabad-Karnatak region. Over the years, it has become one of the prestigious institutions. This institution is located on a hill-lock covering an area of about 4-acres. Sharnbasveshwar College of Science functions under the aegis of Sharnbasveshwar Vidya Vardhak Sangha which was founded by Late Poojya Doddappa Appa. The college provides education to students from rural and marginalized sections on Dasoha Philosophy. It provides relevant and job oriented curriculum with a motto of "Service unto others" and developing leadership and self-discipline among students. It is equipped with all infrastructure facilities with an excellent teaching and learning ambience.

GLIMPSES OF ARTS COLLEGE: Sharnbasveshwar College of Arts, Gulbarga, has been in the service of the society by turning out efficient, effective and morally upright graduates, they are oriented to Kayaka and Dasoha philosophy of education conceived and formulated by Poojya Dr. Sharnbasawappa Appa. The students trained in this way have occupied important positions in different fields of life. In this way a large number of students of our college are serving as Teachers, Lecturers, administrators, Lawyers etc. One such example is of Prof. V.T. Patil, Vice-Chancellor of Pondicherry University, Puducherry.

GLIMPSES OF COMMERCE COLLEGE: Sharnbasveshwar Commerce College was started in 1961. This Institution is one of the earliest Commerce colleges in this Kalyan Karnataka (Hyderabad Karnataka) region, over the years it has become one of the prestigious Institutions as there has been a consistent Infrastructure development with both men and material aiming at imparting quality education.

It is a gift of Appaji to the 21st Century women to elevate herself to highest rungs and echelons of life.

GLIMPSES OF S.S.K.B COLLEGE: S.S.K. Basaveseshwar Arts, Science, Commerce UG and PG College, Basavakalyan was started in the year 1967. Now the college has grown up into very large number of students. The Sangha has opened this college in the remote part of the Karnataka with sole objective of uplifting this backward area and Karma Bhoomi of Late Basaveseshwar. Self-discipline and independent thinking, writing, reading and speaking are the two corner stones of our institution on which the life of students is built. The faculty members make all efforts to stimulate intellectual honesty among the fellow students, as our students live in a rich cultural environment. The College offers many UG & PG Courses with excellence as a way of teaching and learning.

KALABURGI IN WORDS: Now a days Kalaburgi is a destination of every tourist who visits Northern Karnataka, as Poojya Appaji rightly remarked, Kalaburgi has 'three eyes' Sharnbasaveseshwara, Khwaja Banda Nawaz and Bodha Vihar, heralding the message of amity and co-existence of people of composite culture in perfect harmony and joy. Kalaburgi is centrally located at an equal distance from both Bengaluru

and Mumbai and is well connected by road and rail routes. The city is known as a land of Tur-daf and has many historical places nearby, which are worth visiting, viz. Basavakalyan, Bidar, Ghanagapur, Vijayapur, Sholapur and Raichur situated around 150km distance. The majestic fort of Gulab Chand located adjacent to Sharnbasveshwar shrine is a tourist alluring point.

THEME OF THE CONFERENCE: Poojya Appaji is a great educationist, spiritual giant, poet-sage, administrator and a great connoisseur of art. The 21 Dasoha Sutras composed by him are a unique contribution to Kannada Literature; they are unique both in terms of their form and substance. They are like Bhrama sutras packed with great thoughts and wisdom. In his sutras Poojya Appaji uses very pithy sentences to express his thoughts, and all the 21 sutras composed by his Holiness Dr. Appaji showcase in a nutshell the essence of Kayaka-Dasoha-Philosophy. These 21 sutras have been studied by scholars across the globe for last quarter of the century. They have made a performed impact on the lives of the people. Several seminars, conferences, workshops have been conducted on these sutras, and half a dozen critical books to have appeared on them, Appaji very eminently simplifies the Veerashaiva philosophy and gives his own version of interpretation in the sutras. Now it's time to look at this 21 sutras from new perspectives in the 21st century, hence experts from Madras, Lucknow and Hyderabad have been invited to deliberate upon the sutras.
