The Role of IQAC

28th December 2018

Venue : Room No.50, Sharnbasveshwar College of Science Campus

A GLANCE AT THE SANGHA: Shambasveshwar Vidya Vardhaka Sangha Kalaburgi, was founded in 1903 by the VII Maha Dasoha Peethadhipathi when Nizam and British political clout was strong in this part of the country. The institution was established with a noble vision of rendering service to humanity. The sangha is steered by the present President and VIII Maha Dasoha Peethadhipati Poojya Dr. Shambaswappa Appaji, Chancellor, Shambasva University, who is rightly known as 'Icon of Dasoha & Education', he has transformed Kalaburagi into a hub of educational activities. By the stewardship of our President, today, the management runs more than 80 institutions culminating into the establishment of Shambasava University.

GLIMPSES OF SCIENCE COLLEGE : Shambasveshwar College of Science was started in 1956. This institution is one of the earliest science Colleges in this Hyderabad-Karnataka region. Over the years, it has become one of the prestigious institutions. This institution is located on a hill-lock covering an area of about 4-acres. Shambasveshwar College of Science functions under the aegis of Shambasveshwar Vidya Vardhak Sangha which was founded by Late Poojya Doddappa Appa. The college provides education to students from rural and marginalized sections on Dasoha Philosophy. It provides relevant and job oriented curriculum with a motto of "Service unto others" and developing leadership and self-discipline among students. It is equipped with all infrastructure facilities with an excellent teaching and learning ambience.

KALABURGI IN WORDS : Now a days Kalaburgi is a destination of every tourist who visits Northern Karnataka, as Poojya Appaji rightly remarked, Kalaburgi has 'three eyes' Sharanbasaveshwara, Khwaja Banda Nawaz and Budha Vinar, heralding the message of amity and co-existence of people of composite culture in perfect harmony and joy. Kalaburgi is centrally located at an equal distance from both Bengaluru and Mumbai and is well connected by road and rail routes.

The city is known as a land of 'Tur-dal' and has many historical places nearby, which are worth visiting, viz. Basavakalyan, Bidar, Ghanagapur, Vijayapur, Sholapur and Raichur situated around 150km distance. The majestic fort of Gulab Chand located adjacent to Shambasveshwar shrine is a tourist alluring point.

THEME OF THE WORKSHOP : To make Quality the defining element of higher education in India through a combination of self & external quality evaluation, promotion & sustenance initiatives NAAC was established in 1994 to monitor quality culture in higher education.

In such a scenario our revered President Poojya Dr. Sharanabasawappa Appaji advised us to conduct a one-day Workshop on the revised accreditation process, hence this Workshop is being organised by the Sharanabasaveshwar College of Science Kalaburagi. We are aware of the fact that there is a revised process of Assessment and Accreditation adopted from July 2017. By focusing on the 5 core values.

1. Contributing to national development.
2. Fostering global competencies among students.
3. Including a value system among students.
4. Promoting the use of Technology.
5. Quest for excellence.

Hence the Key-note will be delivered foregrounding the NAAC Parameters by IQAC expert Dr. LN. Sheshgiri Rao, Former Director SQAC, Bengaluru. An appeal is made to the honourable educationists, administrators, principals and faculty to make use of this academic programme by being present and taking part in the deliberations on 28th December 2018 in R.No.50, Shambasveshwar College of Science, Kalaburagi.
