### Report of One Day Workshop on - Glass Painting

05.03.2020

One day workshop on Glass Painting was organized on 05.03.2020 by WPC in association with Pidilite Industries Ltd. The main aim of this workshop is to teach different types of glass painting techniques like painting on CD's, bottles, OHP sheets and also on wooden frames for both boys and girls. The resource person Smt Ashwini G. Bharat, Fevicryl expert, taught new designs of glass painting and motivated students to develop their own designs.

Around 60 students benefited by the event and they enjoyed with this new technique of glass painting and faculty members were also participated in the workshop. We are thankful to Smt. Ashwini G. Bharat, Principal, Dr. S. G. Dollegoudar and also we are very much thankful to Alumni Association of our college for providing financial support for this activity.
